American format (305 mm x 165mm)	<input type="checkbox"/>	[][][][] NA	[][][][] NA	[][][][] NA
Square format (250 mm x 205mm)	<input type="checkbox"/>	[][][][] NA	[][][][] NA	[][][][] NA
Motorcycle format (250m mx 165mm)	<input type="checkbox"/>	[][][][] NA	[][][][] NA	[][][][] NA

- (a) Indicate the quality of each type of plate format required since some vehicle require a combination of plate format e.g. one and square plate. The number of characters allowed for a personalised licence number expression is determined by the number of characters that can be fitted on the smaller plate in case of a combination of plate formats.
- (b) In case of an application for a new personalised licence number provide three alternative personalised licence number expressions in sequence of preference. These personalised licence number expressions must be indicated in the blocks / placeholders as provided on the number plate examples.
- (c) In case of an application for an alternative personalised number plate format or replacement of a lost or stolen number plate(s), indicate the quantity of each plate format to be manufactured as well as the personalised licence number expression to be printed thereon for which the holder has a right of use.
